

In Pursuit of Excellence

Last year was significant in the transformation of Janashakthi Insurance as a public quoted company following its Initial Public Offer (IPO), adding momentum to our growth as one of Sri Lanka's leading insurance service providers.

We strive for excellence and are poised for a period of rapid growth and expansion in the coming years, taking our products to new levels of innovation, investing in technology and people and growing our geographical reach.

We are ready for a future of unlimited possibilities.
